

# 12 May TUC march

We're calling on PCS members and supporters from across the UK to join us and thousands of others from across the union movement as we join the TUC's march in London on **12 May** to call for a fully-funded, above inflation pay rise for all civil servants.

The **12 May** event is the [TUC's 'new deal for working people' march and rally](#). It's a family-friendly event so save the date, make a day of it, bring your family, friends and colleagues and show the government your determination to achieve a pay rise that will make a difference to your life, your family and your community. Transport is being organised by our regional centres across the UK, so contact your local office to find out more.

## When

The march will assemble at Victoria Embankment between Hungerford Bridge and Blackfriars Bridge from **11am**.

It will move off at noon and march to Hyde Park.

The rally will take place in Hyde Park, finishing at 4pm.

## Accessibility

The TUC wants to make sure the event is accessible to everyone. There are special arrangements for people who:

- wish to join the march at the main assembly point
- wish to join the last part of the march for a shorter route to the rally
- wish to go straight to the rally.

Take a look at the [accessibility guide](#).
